Footpaths & P3 update

You may remember that in the last edition of the Parish newsletter I wrote about the expected cuts to funding of the P3 scheme. Many Parish Councils have recently been told that their budget for maintaining rights of way within their Parish has been totally cut as from 1st April. Happily, Dormington and Mordiford PC is not one of these. We have always been a very active parish in maintaining paths and spending our entire annual budget. Also we have always been fully compliant in submitting an annual return detailing what we have done and what we plan to do in the coming year. As a result I am pleased to tell you that we will be continuing with full funding until 2019, when we understand that all funding for maintained public rights of way will cease. I am not sure how we will proceed from there when that time comes, but until then we will do everything we can to make walking in our area as enjoyable and easy as possible.
